

## Loki Backlit Recessed 600x600 TPB Panel Data Sheet

Our Loki 600\*600 LED Panel is the perfect solution for your commercial lighting needs. With a 5-year warranty, you can trust that this product is built to last. This panel boasts an impressive 3600 lumens, providing bright and efficient lighting for your workspace.

In addition to standard features, the Loki LED Panel also offers emergency and DALI options for added convenience and customization. The emergency option ensures that your workspace remains illuminated even during power outages, providing a safe environment for your employees or customers.

With a sleek and modern design, this panel seamlessly blends into any workspace, making it suitable for a wide range of applications, including offices, retail stores, and hospitality venues. Plus, with its high energy efficiency and low maintenance requirements, you can enjoy significant cost savings on your energy bills.

Upgrade your lighting system with the Loki 600\*600 LED Panel, and experience high-quality, reliable lighting for years to come.
