

VIRGIL High Rack LED Linear Light

Our Virgil High Rack LED linear high bay is ideal solution for aisles in warehouse. Asymmetric open area and aisle rack optic lens adapts to narrow aisle perfectly between high shelves. The rectangular light pattern flawlessly matches with aisles, which can effectively reduce light loss. This fitting can also be upgraded by adding intelligent lighting solutions such as DALI, Zigbee, PIR sensor, motion sensor and daylight harvesting sensor and emergency etc.

Key Features

- VIRGIL 30W/60W/90W/120W/ 150W/180W/240W; 135lm/W and 165lm/W (optional)
- Optimized Virgil 50W/100W/150W/200W; 130lm/W
- Modular design and excellent performance
- IP65, IK10.
- Long and narrow pattern not only contribute to lighting lux level but also the best uniformity.
