LIFE ILLUMINATED

Dual Wattage CCT Selectable IP65 Vapour Proof LED Surface Mounted Non-Corrosive Fittings

Our range of Surface Mounted IP65 Vapour Proof LED Non-Corrosive fittings are a great source of light for commercial and industrial spaces, such as garages, car parks, warehouses, workshops, factories, or any other harsh environments that are subject to impact and high humidity.

These CCT dip switch selectable & power selectable are the ideal choice for helping business achieve their energy saving goals, whilst reducing their carbon emissions and giving you individual colour temperature choices to keep housing uniformity throughout the building.

Specification

IK Rating	IK08
CRI	> 80
IP Rating	IP65
Working Temp	-15Â°C - 55Â°C
Beam Angle	120Â°
Voltage	220 – 240V 50/60Hz
Power Factor	PF: >0.9
Material	ABS/Polycarbonate
CCT	DIP SWITCH 4000K / 5000K & 6500K
Warranty	5 years

Product	Code	Dual Wattages	Lumens Per Watt
4ft Standard	SLL4FTNC/CCT	20w & 40w	120lm/W
5ft Standard	SLL5FTNC/CCT	25w & 50w	120lm/W
6ft Standard	SLL6FTNC/CCT	35w & 70w	120lm/W

PLUG & PLAY ACCESSORIES ONLY	AVAILABLE FOR 5FT & 6FT MODELS
Plug & Play Microwave sensor	SLLNC/MS
Plug & Play Emergency pack	SLLNC/EM

PLUG & PLAY EMERGENCY PACK IS 2W SELF-TEST 240 LUMENS
